

## Come and See for yourself

### Local Church

#### Explore

Community is an essential part of life. No one is an island. We join together as different communities throughout our lives for different reasons.

Which community do you belong to?

What celebrations in that community do you enjoy?

Who celebrated with you?

#### Reveal

The Church celebrations are community occasions.

The parish family meets on Sundays (or Saturday evening) to celebrate Mass together. It is a time to celebrate God's love for us and to give thanks. The parish community gathers on other occasions to celebrate the sacraments, special moments on the Christian journey. The whole liturgical life of the Church revolves around the Eucharist and the other sacraments.

Loving God

We thank you for our families and friends and our Church community. Help us always to live our lives in the service of others following the example of your Son, our Lord Jesus Christ.
